

The Facts

- Save time for all stakeholders. Everything you need in one place.
- Customizable to accommodate various requirements
- Ergonomic design increases staff protection by avoiding injury
- Easy to assemble welded steel structure
- Available in various sizes (24", 36", 48")
- Durable construction withstands demanding environments

CLEAN LINEN CARTS

The Clean Linen Cart: Ease of use, ease of distribution!

Carts can be altered to meet changing requirements; by adding or removing accessories, a number of combinations can be made to customize the cart for your specific need

The Clean Linen Cart is an integral part of our **REVOLUTION Linen System**.

*"A great solution to an effective system.
It's an organized process that saves you
both time and money"*

*- Nancy Cail, Administrator, Rexton Lions Nursing
Home Inc.*
