SAVE VALUABLE STAFF TIME

A time consuming chore now becomes a 1-person task. The On The Right Track Cubicle Curtain System enables the exchange of cubicle curtains effortlessly without the use of a ladder.

A SIMPLE SOLUTION TO **SAVE YOU TIME
AND MONEY!**

MAKE YOUR FACILITY A SAFER PLACE

Unwashed cubicle curtains may harbor dangerous bacteria that could lead to hospital acquired infections. Our On The Right Track Solution allows for the regular exchange of cubicle curtains by facilitating easy removal/installation, thus putting infection control in your control!

AN EFFECTIVE **STAFF SAFETY SOLUTION!**

MAKE YOUR FACILITY A BETTER PLACE !

Traditional privacy curtains make unsettling, unpleasant noise when drawn, causing patient discomfort. Our On The Right Track System boasts an ultra-quiet operation, providing a better overall patient experience.

**INCREASE STAFF & PATIENT
SATISFACTION** BY IMPROVING THE QUALITY
OF THEIR ENVIRONMENT.
